JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

SEC. 2. The health department of the city of Spartanburg shall cause a register to be kept in the office of said department in which shall be registered the names and addresses of all such persons, firms, or corporations as shall report to said department under the provisions of section 1 of this ordinance, and that upon such name being registered it shall be the duty of the commissioners of the health department to issue a certificate of registration without cost to each person, firm, or corporation so registering, and make or cause to be made such investigation and inspection of the premises and paraphernalia (tubs, scrubbing boards, pots, ironing boards, etc., said tubs to be of galvanized iron) of such persons, firms, or corporations as will enable said commissioner or inspector to determine whether or not said person, firm, or corporation shall be permitted to continue or engage in such occupation.

SEC. 3. It shall be the duty of the holder of the certificate or permit provided for in section 2 of this ordinance to notify the office of the health department in writing of any change in the address of such person, firm, or corporation, which notice shall be given within 36 hours after such change of address.

SEC. 4. It shall be the duty of all persons, firms, or corporations engaged in the business aforesaid to notify the health department of the city of Spartanburg immediately upon any contagious or infectious disease becoming contracted in any of the houses or places of business where such business is conducted. It shall further be the duty of the person, firm, or corporation obtaining certificate to go into the business of laundering or washing clothes, in case of contagious or infectious diseases breaking out to immediately cease operations until they shall obtain permission to do so from the health department of the city of Spartanburg.

SEC. 5. It shall be the duty of the health inspector of the city of Spartanburg to inspect as often as directed, all laundries or houses where the business of laundering or washing clothes is conducted for hire, and report the condition of said place of business to the health department as soon as practicable after said places are inspected. Any person, firm, or corporation may upon application to the office of the health department be furnished with a copy of the report of said inspection, and said copy shall be furnished free of cost to the applicant.

SEC. 6. It shall further be the duty of the health inspector of said city to report all cases of infectious or contagious diseases in any way connected with said place or places of business immediately to the health department of the city of Spartanburg, and to have such place or places of business where such infectious or contagious diseases is found to be closed at once, until the further order of the health department.

SEC. 7. Any person, firm or corporation violating any of the provisions of this ordinance shall be fined in the sum of not more than \$100, or imprisoned for not more than 30 days.

TACOMA, WASH.

Foodstuffs—Employees—Certificate of Health Required—Sanitary Regulation of Establishments. (Ord. 6078, Mar. 24, 1915.)

SECTION 1. That sections 12 and 18 of ordinance No. 4913, passed March 27, 1912, and entitled, "An ordinance to establish and enforce compliance with sanitary regulations in all places in the city of Tacoma where food for human beings is manufactured, kept, prepared or sold; to provide penalties for the violation of the provisions of this ordinance, and to repeal ordinances Nos. 3610 and 4208," be and the same are hereby amended to read as follows:

SEC. 12. It shall be unlawful for any person afflicted with any contagious or infectious disease, such as typhus, typhoid, ship or yellow fever, Asiatic cholera, diphtheria, smallpox, or membranous croup, scarlet fever, measles, German measles, whooping cough, mumps, chicken-pox, cerebrospinal meningitis, bubonic plague, or tuberculosis, or any venereal disease in a contagious state, or who shall suspect that he has any of the above-mentioned diseases, or who has any rash or skin trouble, or in whose place

of residence any contagious or infectious diseases exists, to work or be employed in or for any person to employ such person in or about any place where food products are manufactured or prepared for food, or is sold or offered for sale during the time said disease exists, or thereafter until the health officer shall issue a certificate that there is no danger from employment of said person in such establishment. It shall be unlawful for any person to work or be employed in any bakery, kitchen, candy kitchen or confectionery unless he shall furnish and place on file within 48 hours from date of employment, with the person in charge of such establishment, a certificate of health certifying that such person has been examined and that there is no danger from the employment of such person, such certificate to be approved by the health officer. Such certificate shall be at all times kept on file in the office of the employer of such person and open for inspection at all reasonable hours by the pure food inspector, and if at any time any infectious or contagious disease, rash or skin trouble shall appear, the pure food inspector shall have the authority to at once exclude such person from the establishment where employed, and it shall be unlawful for any person so excluded to return to work or for the employer to allow such person so affected to work in his establishment, so long as said person is affected with any contagious and infectious disease, rash or skin trouble. It shall be the duty of each employee in any bakery, restaurant, candy kitchen or confectionery to furnish to his employer, or person in charge of the above-named establishments, such certificate of health annually.

SEC. 18. (a) No dog shall be allowed in any of the places of business mentioned in this ordinance, or be brought therein by any customer thereof.

(b) It shall be unlawful for any person to expectorate within any place where food of any character is prepared for sale or offered for sale for human use except in special receptacles maintained for the purpose. Such receptacles shall be made of some material impervious to water and shall be cleaned at least once in every 24 hours. A sufficient number of such receptacles shall be provided in every place where food is prepared. It shall be unlawful for any person to commit a nuisance of any character within any place where food for human use is prepared.

(c) Notice forbidding all persons to use tobacco or to spit upon the floor or side walls shall be posted in every bakeshop or kitchen.

(d) It shall be the duty of every occupant, whether owner or lessee, of every room or building used for the manufacturing of food products, to carry out the provisions of this ordinance and to make all changes and additions necessary therefor.

Milk and Cream—Sale of—Permit Required. (Ord. 6260, Nov. 24, 1915.)

SECTION 1. That section 5 of ordinance No. 4828,¹ passed January 12, 1912, and entitled "An ordinance regulating the sale of milk, cream, and certain other dairy products in the city of Tacoma; providing a penalty for the violation hereof, and repealing all ordinances and parts of ordinances in conflict herewith," as amended by ordinance No. 5668, be, and it is hereby, amended so as to read as follows:

SEC. 5. It shall be unlawful for any person to sell or deliver, offer or expose for sale, or have in his possession with intent to sell or deliver, any milk or cream in the city of Tacoma without having a permit so to do duly issued by the health officer of said city; or without having such permit displayed in a conspicuous manner in his place of business, or without having the number of such permit and the name of the owner thereof printed in a conspicuous manner on both sides of every wagon or other vehicle used for the sale or delivery of milk or cream. Application for a permit shall be made in writing and upon blanks provided by said health officer for that purpose, on which shall be stated the name of the applicant, the location of his place or places of business, the number of cows, if any, owned or controlled by such applicant, the location of any dairy or dairies other than his own from which he secures or proposes to sell milk, the
